

## SON RAVELLO - indie folk singer/songwriter

Son Ravello is the newest project of American singer-songwriter and composer Mike Caruso. He was the lead singer/ guitarist for the Oregon based indie folk trio Kites + Crows and he went on to tour the west coast and open for bands such as John Prine, The Decemberists, Horse Feathers, Greensky Bluegrass and more. Caruso created Magnetic West Music " a music convergence company " and has had his music featured in TV shows such as Blindspot (NBC), The Night Shift (NBC), Reign (The CW), NatGEO Wild and more. Caruso's songwriting delivers a poetic sensibility, his fascination with sound and affinity with nature offers mellow and picturesque dynamics to his lyrics and melodies. With his signature kick drum, dynamic acoustic guitar and intimate baritone vocals, Son Ravello serves a heartwarming and meaningful repertoire, what SF Weekly calls "sweet, philosophical folk songs... an appealing, honest voice"
